Dan Walters to be Guest Speaker at Assemblyman Bill Berryhill's Capitol Club Breakfast

MODESTO, CA - Assemblyman Bill Berryhill is pleased to announce Mr. Dan Walters as the guest speaker at his Bill Berryhill Capitol Club Breakfast, to be held on Friday, September 16th at 7:30 a.m. at the DoubleTree Hotel in Modesto.

Mr. Walters, a columnist with the Sacramento Bee and an expert on California politics, has been a journalist for more than 40 years, working almost exclusively for California newspapers. In 1981, he began writing the state's only daily newspaper column devoted to California political, economic and social events. He has written more than 6,000 articles about California and its politics.

"We are privileged to have Dan Walters as our guest for the Capitol Club Breakfast. His vast knowledge of California politics as a journalist makes him a sought after speaker, which is perfect for today's political climate," said Assemblyman Berryhill.

The Capitol Club provides its members with an exclusive opportunity to network with local business and community leaders while gaining an "insider's" prospective on both statewide and local issues. Each club event hosts a prominent guest speaker who is an expert in their field and a resource to the community.
