

THE BRYANT BRIEF

The Momentum Builds...

Our campaign is building statewide momentum and hitting the key performance indicators (KPIs) we established last May. These KPIs (money raised, volunteers on board, weekly Facebook engagement, radio/TV/press coverage in targeted legislative districts, legislative district organization positions filled, endorsements secured) ensure we don't confuse progress and activity. Believe me, we're progressing.

We're launching a "Beers with Bill" Oktoberfest Tour across Washington State. Before Friday, September 18th, vote for your favorite brewpub or tap house, and if it gets enough votes we'll include it on my Oktoberfest itinerary. Bring your friends to meet me. No speeches, just questions and conversation while sipping your favorite brew. To vote through Facebook, visit <http://bit.ly/BeerswithBill>.

Onward,

 Bill Bryant

Biking with Bill

Our campaign launched a new activity called "Biking with Bill" with debut rides in Spokane and Vancouver. This is a great opportunity to meet Bill, see your community up close and of course get in some exercise. To set up a "Biking for Bill" event in your community or if you're just interested in joining the ride, email Justin@revolvis.com.

THE NEW LANDSCAPE

Over Labor Day weekend we launched the #NewLandscape program with 4x8 signs going up statewide along all major freeways and highways in targeted legislative districts. Thank you to our chairs for making our program a huge success. If you know of a good location for the next round, email Matt@BillBryantforGovernor.com.

CURRENT SIGN LOCATIONS

Arlington	Goldendale	Moses Lake	Tri-Cities
Battleground	Grandview	Mt. Vernon	Vancouver
Camas	Issaquah	Prosser	Walla Walla
