Sonora Elected Leaders Endorse Supervisor Teri Murrison for Assembly

Community leaders from the City of Sonora are uniting in support of Tuolumne County Supervisor Teri Murrison to succeed Assemblyman Tom Berryhill in the 25th State Assembly District.

“Teri’s background in transportation and other local government issues have served Tuolumne County and the City of Sonora well. She understands how to get things done and will be an effective voice for District 25 cities and counties. Teri’s a strong advocate for the people she serves,” declared Sonora Mayor Ronald Stern.

“Teri earned my support when she realized the value and importance to our mountain counties of the Coordination Strategy, and her willingness to bring it forward,” said Sonora Mayor Pro Tem Gary Anderson.

“Supervisor Teri Murrison, in her common sense approach to public office, her availability to her constituents, and her votes on several key issues, has demonstrated an adherence to conservative principles and our US Constitution. We will continue to be well served with her as our representative in the California Assembly,” stated Sonora City Councilman Dave Sheppard.

“I’m proud to have the endorsement of these outstanding Sonoran community leaders,” said Murrison for State Assembly. “They support me because I will be the strongest voice for our rural and mountain communities in the State Assembly.”

The 25th Assembly District includes all of Calaveras, Mariposa, Mono and Tuolumne counties and portions of Stanislaus County (Modesto, Oakdale, Riverbank and surrounding areas) and Madera County (Chowchilla, Coarsegold, Oakhurst and surrounding areas).
